

## Cookie Policy

Ebiqurity Plc and its subsidiaries (inclusive of FirmDecisions, Stratigent LLC and Digital Balance) (“Ebiqurity” or “We”) use cookies across our websites to improve their performance and enhance the user experience.

### What are Cookies?

Cookies are small text files which a website may put on your computer when you first visit it or a specific page upon it. A cookie is like an identity card, it is unique to your computer and can only be read by the server that gave it to you.

There are many different functions cookies serve. They can help us to remember your username and personal preferences, provide us with analysis about how well certain pages and links are working or even allow a website to show you content that it believes will be relevant to you.

Cookies, by themselves, do not tell us your email address or other personal information unless you choose to provide this information to us.

### What types of Cookies do Ebiqurity and its subsidiaries use?

#### Performance Cookies

- Collect anonymous data on how visitors use a website; they can't track users and are only used to improve how a website works.

#### Functionality Cookies

- Can remember usernames, language preferences and regions.

#### Session Cookies

- These are temporary. They allow website operators to link the actions of a user during a browser session. A browser session starts when a user opens the browser window and finishes when they close the browser window. Once you close the browser, all session cookies are deleted.

## How do I turn off Cookies?

If you want to control which cookies you accept, you can configure your browser to accept all cookies or to alert you every time a cookie is offered by a website's server. Most browsers automatically accept cookies, you can set your browser option so that you will not receive cookies and you can also delete existing cookies from your browser. You may find that some parts of the site will not function properly if you have refused cookies.

## User Agreement

By continuing to use our site, you agree to the placement of cookies on your device. If you choose not to receive our cookies, we cannot guarantee that your experience will be as fulfilling as it would otherwise be.
